The United Way of Greater St. Louis begins its 2009 fundraising campaign in September. Contributions generated from the campaign help support the programs of the Boys & Girls Club of Bethalto and 193 additional local health and human service organizations. You can be sure your gift is used wisely because more than 400 experienced community volunteers carefully distribute donations to charities that demonstrate high quality standards and results. More than 90 cents of every contribution dollar is strategically invested to help people in the community. A financial gift to the United Way builds a system of quality agencies to provide a variety of needed programs. Please support the United Way and help us build a stronger community.

BE GREAT. Character Word of the Month: Trustworthiness
